## Course Details

Type: Classroom

Courses can be delivered at your location if required

Duration: 1-4 days (depending on modules required)

## Please note

Before you can receive any aviation security training you must have successfully completed a background check that your employer must carry out. Once your employer has provided us with written confirmation that this has been completed, you can receive joining instructions to complete the training.

If you are a sole trader, please contact us and we will provide you with the necessary self-declaration..

**Note:** If a manager is also involved in operative or supervisor activities they will require full training as for an operative or supervisor.
