

# Ground Security Supervisor - Refresher

WESTMINSTER  
GROUP PLC

Our DfT mandated GSS initial course is specifically designed for UK Ground Security Supervisors working within the operational environment who are responsible for the supervision of airport/airside security

## Overview

Our 1-day Ground Security Supervisor refresher course is designed for staff who are already certified as a GSS and are required to refresh their training every 13 months under the mandatory syllabus. This includes the National X-ray Competency Test (NXCT) for x-ray (if applicable).

Our course will utilise your own existing knowledge and experiences and will incorporate updates on the threat to aviation, any recent relevant incidents and any changes to regulations or procedures, using best practices from throughout the aviation security industry

## Content

- Role of the Supervisor
- Compliance with Regulations
- Response to Security Incidents
- Security Equipment
- Searching Persons and Items Carried
- Searching Vehicles
- Searching / Checking Aircraft
- Supervising the use of liquids testing equipment
- Supervising the use of Explosive Trace Detection (ETD) equipment
- Supervising the use of Security Scanners, Walk Through Metal Detectors (WTMDs) or Hand Held Metal Detectors (HHMDs) for passengers and staff
- X-ray Training on all equipment including National X-ray Competency Test (NXCT)

## Course Details

**Type:** Classroom

**Courses can be delivered at your location if required**

**Duration:** 1 day

## Please note

Before you can receive any aviation security training you must have successfully completed a background check that your employer must carry out. Once your employer has provided us with written confirmation that this has been completed, you can receive joining instructions to complete the training.

If you are a sole trader, please contact us and we will provide you with the necessary self-declaration.
