

Emergency First Aid at work - Level 1

WESTMINSTER
GROUP PLC

The course is ideal for any employee or manager who wishes to become an emergency first-aid in the workplace

Overview

Our Emergency First Aid e-learning course gives learners the opportunity to undertake online first-aid training.

This e-learning covers practical areas of the course, such as CPR, so is great for reinforcing competency and refresher training.

Content

- Understanding the role and responsibilities of a first-aid
- Assessing an incident
- Managing an unresponsive casualty
- Recognising and assisting a choke casualty
- Managing a casualty - external bleeding and shock
- Managing a casualty - minor injury
