

Fire Safety - Level 2

WESTMINSTER
GROUP PLC

This course offers a comprehensive guide to best practice when it comes to fire safety. Ideal for managers, supervisors, team leaders, fire marshals and staff working in any area where there is a potential risk of fire.

Overview

This course is particularly useful for managers, supervisors and fire marshals and all staff working in any area of the business where there is the potential risk of fire. It is also ideal for anyone taking a level 2 fire safety qualification. The course can also be used as part of the new apprenticeship standards, supporting the knowledge, skills and behaviours apprentices need to effectively integrate into the workplace. The course is also ideal for employee inductions, as refresher training for existing staff.

Content

- Introduction to fire safety
- The characteristics of fire
- Fire safety legislation
- Assessing and managing risk
