

ICAO Course

National Instructors

WESTMINSTER
GROUP PLC

Overview

This seven day course is designed for personnel involved in the development, management and/or instruction of training materials related to a civil aviation security training programme. Those who successfully complete this course will be well versed in the general application of training principles, the preparation of appropriate teaching aids and the tailoring of course material to harmonize course objectives with local and national requirements. Participants will be tested during the course on their general knowledge of Annex 17 and the Security Manual as well as asked to present material from ICAO's Aviation Security Training Packages. It is therefore advisable that nominees have a foundation of AVSEC knowledge and exposure to AVSEC training.
