

ICAO Workshop

Airport Security Programme

WESTMINSTER
GROUP PLC

Overview

This five day interactive workshop, is designed to familiarize participants with the requirements of an Airport Security Programme (ASP) and enable them to draft and review such programmes. It is recommended that nominees be at the senior or middle management level within the State's appropriate authority, or within an airport, who are responsible for the approval, quality control, drafting, updating and/or implementation of ASPs. It is also recommended that participants have attended a specialized AVSEC training activity, such as the ICAO National Civil Aviation Security Programme Workshop or Management Course, prior to attending this workshop.
