

# Aviation Security – Human Resources

WESTMINSTER  
GROUP PLC

This 1-day course has been specifically designed for all staff who have a responsibility for the recruitment and vetting of personnel for all aviation security entities.

## Overview

The course will ensure that HR staff and personnel involved with recruitment and vetting for AvSec entities, either directly or as a third party recruitment agency are able to follow and comply with the mandatory requirements within EU and UK legislation.

Knowledge gained from this course will give staff the ability to implement the legislative requirements that comply with Aviation Security HR regulations. It will also provide an understanding of the “Insider Threat” and how to manage it to assist aviation entities with their security arrangements to ensure effective mitigations measures are implemented.

## Content

The course covers the following mandatory requirements:

- Regulatory requirements, legislation & compliance
- International legal framework
- Role of the AvSec HR staff
- Background checks, CRCs / CTCs
- Certificate of disregard
- The application form
- Referencing
- Proof of identity and address and right to work in the UK
- The insider threat
- Quality assurance
- Auditing AvSec HR files
