WG School Emergency Response Lighting Kit

The WG School Emergency Response Lighting Kit is designed as a rapid response kit to provide illuminating and the marking of safe routes for safely evacuating personnel from areas of danger

There are a range of kits available from lightweight schools' package to a major incident kit, all of which can be packaged in either soft bags to hard shell cases.

Ensuring that you have the right equipment to cover any number of differing emergency scenarios can be a daunting responsibility.

The Emergency Response Kit assists organisations in both illuminating areas, marking safe routes and evacuating personnel from areas of danger

STANDARD FEATURES

- 1 x Battery powered flood light
- 2 x Individual tri-colour markers
- 1 x 50m Flexible illuminated evacuation system
- 1 x mains charger for illuminated Evacuation system
- 1 x mains chargers for the flood lights
