

CATcade REFORMER TUBE LOADING

World Leaders in Catalyst Handling

For over 40 years Cat Tech has led the way in catalyst handling through innovation and experience. Cat Tech's patent CATcade reformer tube loading system is simple, efficient and delivers high quality results in all conditions.

CATcade's patented designs reduces human error and material fatigue making it the best choice for better, faster loading and DP results.

- > Approved by all major catalyst manufacturers
- > Maintenance free-reduced delays and manpower
- > Durable materials eliminate breakage
- > Easily portable for simple shipping
- > More consistent DP results
- > Over 100,000 tubes loaded
- > Better suited for use with local workforce
