HELP EARN MONEY FOR OUR SCHOOL

Now is the perfect time to begin using Scrip. Stock up for the upcoming holidays. Scrip offers gift cards for some of the most popular merchants. Each retailer offers a rebate on their cards. 75% of all Scrip rebates are applied twice a year to FACTS Management to offset tuition or incidentals of the purchasing family. The other 25% goes directly to the school.

September 24, 2021

Dear parents,

Now that we are settling in, we will begin filling some of the current down time for the 5th-8th graders due to wonky scheduling. We are making plans to resume some of the student clubs/organizations/activities such as Builders' Club, Student Council, Chess Club, Yearbook, etc. We have already started a student choir, Scholastic Bowl team, and altar server training. Are there parents interested in sharing information about your career? Email me if so, and thank you.

Have you checked out the grounds? We are so blessed to have enhancements in recent years thanks to generous parishioners and grandparents! Check out the Mary patio, the statue of Jesus and the little children, the flagpole area bricking, the storybook walk and the gardens. We have not only vegetable and flower gardens but a native pollinator garden and an edible garden! Special thanks to our Angel Gardeners Mr. Lynch and the Rowlands!

Here are a few pics from the week: First grade "Investigators of light sources" and "parking lot music recorders" We are so grateful for many things, especially the beautiful weather to get the kids outdoors! Enjoy the weekend. Sincerely, Mary
