April 29, 2022

Dear Parent & Guardians:

St. Bridget's Catholic School will be holding a Goodwill Donation Drive from May 2-May 13. Each child will be bringing home a Goodwill bag marked with a piece of colored tape, indicating their community partner team color. We are asking each student to return the bag by May 11<sup>th</sup> filled with donations from home. Whichever team collects the most donations will receive a gift certificate to Culver's!

**For every pound collected, Goodwill will donate 10 cents back to the school!**

How do your donations make a difference? First, students can learn the value of donating to a worthy cause and help families who turn to The Goodwill Stores to get the items they need at low-cost prices. Second, the donations are important to Goodwill's job training programs. Individuals with disabilities and other challenges get on-the-job training and paid work experience in the handling, sorting, shipping and selling of donated merchandise. And third, your donations help the community recycle unwanted items in an environmentally sound way and prevent items from piling up in local landfills. In 2020, Goodwill Industries of Northern Illinois diverted over 19.1 million pounds of unwanted items out of area landfills.

The best things to donate are clothes, housewares, and shoes. There will be additional bags in the school office should you need more. You may also pack items in clean garbage bags and we will color code them when you bring them in.

Every donation supports Goodwill's mission to *create opportunities for individuals with barriers to enhance their lives*. Help make a difference!

Sincerely,

Mrs. Toldo
