May 19, 2023

Dear Parents,

Here are a few reminders as we near the end of the year.

**EDUCATION COMMISSION SURVEY SAYS:** We have received many positive comments, constructive criticisms and specific suggestions and ideas for improvement. Thank you. There is still time to participate. The link to the survey is under announcements on School Speak.

**SPEAKING of SCHOOL SPEAK,** we will be transitioning from School Speak to FACTS student information system this summer. Please update all information in School Speak as the current information will be migrated over to FACTS. You will receive additional information in the coming months.

**LOST AND FOUND:** If your child lost a coat or lunchbox or water bottle or hat or gloves, please remind them to take a look at the table. We continue to remind them as well! Very soon we will donate items to Goodwill and place all uniform and spiritwear pieces in the uniform cupboards.

**FACTS tuition accounts** will roll over to the same payment plan you had this year. If you would like a different plan please log into your account and change it!

**IOWA ASSESSMENT SCORES were recently sent home:**

These scores are good information in determining your child's skills in Reading, Language, Mathematics, Social Studies, and Science. Grades 3-7 took the tests; and 3,5,7 took the Cogat as well. This was the first year we had students take the test online using the chromebooks rather than paper and pencil so we don't have a comparison to last year's test. The grade level group skill domain analysis with national comparison scores may be found under announcements on School Speak.

**THANKS** for your continued support of our school. We are blessed with wonderful educators, parents, grandparents and parishioners.
