Wakehams Green play area revamped and reopened

Refurbishment work has been completed at Wakehams Green play area.

Crawley Borough Council spent £55,000 on new equipment and resurfacing as part of a programme to revitalise the town's unsupervised playgrounds − a programme which is now about halfway through. It is funded by developers' payments to the council, to maintain and improve essential local facilities, after being granted planning permission.

Wakehams Green is the second in this current phase of 10 to be refurbished; Southgate was first and completed in the spring. Work is due to begin early next year.

Exciting, unsupervised play areas can be found across Crawley. They offer families access to an informal play area with challenging and stimulating play opportunities. Play areas cater for toddlers, school age children and young people in defined activity areas.

All play parks are non-smoking areas, access of dogs is limited to assistance dogs and glass is prohibited in the interests of child safety.

Get a cosier home with the Warmer Homes Programme

Crawley Borough Council has been successful as part of a consortium of 23 local authorities in securing funding from the government's Home Upgrade Grant, to offer fully-funded energy saving improvements for your home.

These improvements, that include insulation, air source heat pumps and solar PV panels, can help lower your energy bills and keep your home. warmer in the winter and cooler in the summer.

Wondering if you're eligible? Key criteria includes:

- Your home is not heated by mains gas (e.g. you use electric, oil or LPG)
- Your Energy Performance Certificate Rating is D, E, F or G (if you don't know this, the Warmer Homes team can tell you)
- You have a household income of £31,000 or under, or you receive a means-tested benefit

For more information and to apply visit warmerhomes.org.uk and click 'apply' or call (freephone) 0800 038 5737.

This programme is available to owner occupiers and private rental tenants only. If you are a private rental tenant, your landlord will be required to make a financial contribution.

Get help with making your home warm for winter and reducing your energy bills.

The Home Energy Advice **Service**, provided by Arun and Chichester Citizens Advice, offers Crawley homeowners, private and social tenants advice and support with grants for energy efficiency improvements, energy bills and debt, keeping warm and much more.

Call **01243 974063** (Monday to Friday, 10am to 4pm) to speak to a qualified Home Energy Advisor.

westsussexenergy.co.uk provides useful advice on how to save energy at home and keep warm. Plus local information such as insulation and heating grants, where to get help, local installers and more.

New Chief Executive

Ian Duke, former Deputy Chief Executive of Crawley Borough Council, has been appointed as the new Chief Executive. This follows the departure of Natalie Brahma-Pearl who has taken the position as Portsmouth City Council's new Chief Executive after six years at the helm in Crawley.

Following a rigorous, multi-staged interview process, including panels of staff and community stakeholders, this culminated with Ian's selection by the seven-member Employment Panel in September.

Ian has been in post since 2018 with 25 years' experience across local government, having worked for two London boroughs and Gosport Borough Council.

The process to appointment to the vacancy created by Ian's promotion has begun.

Mayoral engagements

CC

The last couple of months have seen a wide variety of events taking place around the town and it's still a very busy diary for the Mayor of Crawley, Councillor Jilly Hart.

The Mayor has visited The Hawth on a number of occasions to support a local dementia group as well as attending the Disabled Fun Day and Junior Citizens, both of which were arranged by Crawley Borough Council.

Councillor Hart helped launch Black History Month at Crawley Museum in October and attended a concert to celebrate 50 years of town twinning with Dorsten in Germany. Now it's onwards towards Christmas where the Mayor will continue to meet more of the residents of Crawley.

"

Grant-funded specialist facility opens at K2 Crawley

A new, fully accessible Changing Places toilet (CPT) has been installed and opened at K2 Crawley using grant funding from the council.

Changing Places toilets are specially equipped for people with significant learning and physical disabilities, and their carers to use safely and with dignity.

The council was awarded £97,000 from the Department for Levelling Up, Housing and Communities to install two new Changing Places toilets. As well as K2 Crawley, a CPT has been fitted and opened at The Hawth.

Larger than a standard accessible toilet, the CPTs offer more space to also accommodate two carers and include a height adjustable toilet, sink, an adult-sized changing bench and hoist. Because it's a leisure centre, K2 Crawley has also included a shower.

There are now four CPTs in the town, and two at Gatwick Airport. They are listed on the official map of nearly 2,000 across the UK, maintained by a consortium of not-for-profit organisations.

In another packed edition of Crawley Live, you can get into the festive spirit and read more about all the great things that are happening for Christmas this year in the borough. And as the weather begins to get colder, there's information on the council's Warmer Homes scheme on page five – well worth a read to see if your home might meet the requirements to benefit.

Crawley Live is one of the most visible ways that we try as a council to stay in touch and engage with residents. Another way is through the council beginning to broadcast our Full Council meetings online and, in the near future, we hope committee meetings as well. The Full Council meeting on 13 December at 7.30pm will be webcast live and like all recorded meetings going forward, will also be put up on the council's YouTube channel for viewing after the meeting. Why not join us by watching online if you can't make it to one of our meetings in person?

We'll be back with the next edition in 2024!

Adaptable event space at K2 Crawley

K2 Crawley frequently hosts a wide range of events in the state-of-the-art, multipurpose sports hall, which has a maximum capacity of 3,000 people. Favoured for concerts, wedding fayres, sporting events and exhibitions alike, the space is completely adaptable.

The flexible sports hall is ideal for elite sporting tournaments, with the English Open snooker tournament regularly taking place at K2 Crawley. It's also been used for top hockey events, darts, comedy nights, concerts, exhibitions, conferences and a variety of other events. The highly experienced events team is on hand to deliver your vision and assist your every need.

Customisable features include dividing the hall into three smaller sections, flag hanging, floor laying, bleacher seating, acoustic curtains and more.

If you require any refreshments or meals for your events, the team can provide full catering adapted to meet your exact requirements and budget. The venue has an extensive premises licence covering the sale of alcohol, indoor sporting events, boxing, live music, late night refreshment and more.

Both Crawley and Three Bridges Stations are within a 10-minute taxi ride.

Rubbish and recycling collections return to normal from Monday 8 January. There will be no GREENbin garden waste collections from Saturday 23 December to Friday 5 January inclusive. Collections will also resume from Monday 8 January.

To check if your recycling collection is week one or week two, please refer to my.crawley.gov.uk or call 01293 438772.

Collections may not be made at the usual time of day during the holiday period, so please ensure your rubbish and recycling bin(s) are placed at the edge of your property (not blocking the pavement) by 7.30am on your collection day and are clearly visible.

Excess waste

Over bank holidays and Christmas we will take one additional, average-sized sack / bag of rubbish for every day your collection is delayed. E.g. if your collection day is normally a Monday, and we collect your waste on Tuesday, you can place one additional bag out for collection.

Reminder

We no longer send recycling and rubbish collection or GREENbin calendars. Visit my.crawley.gov.uk for your collection dates. From the end of November you can download and/or print a copy of the collection calendar(s) from

crawley.gov.uk/collectiondays or by calling 01293 438772.

*Our collection crews are working on Saturday 23 December. Crews will be collecting Monday's work early on this day. Reminders will be left on all rubbish bins nearer the time.

What can I put in my recycling bin?

Items should be clean, dry and loose. Not tied up in plastic baas!

Please remember to recycle as much as you can over the festive period. Items for recycling should always be:

Clean

No food and drink leftovers including greasy pizza boxes. Rinse cans, bottles, jars and plastic containers.

Dry

Empty liquid from all cans, bottles and plastic containers and keep your bin lid shut. If your bin lid is missing or broken, let us know. Any excess cardboard must be kept dry for collection.

Loose Not in plastic bags or boxes.

Win your Council Tax free for one year!

One lucky resident will win their Council Tax* paid for a year, thanks to Crawley Borough Council's amazing prize draw.

All you need to do to be in with a chance of winning is to sign up for electronic billing. By going paperless, you'll be able to manage your accounts and receive bills online, saving you time.

Receiving your bills via email is faster and saves on printing and postage costs. It also reduces the use of paper and envelopes and helps support the council's green agenda.

We have pledged to reduce emissions by at least 50 per cent, and as close to net zero as possible by 2030, and to reach net zero by 2040 at the very latest. You can register for eBilling for several council services, including Council Tax, Business Rates, allotments, GREENbin, Leasehold Services, Premises Licences, Taxi Licences and Lifeline. More services will be added in the future.

To enter the draw and be in with a chance of winning your 2024/25 Council Tax free visit

my.crawley.gov.uk and sign up for electronic billing.

For more information about Council Tax and for full terms and conditions of the prize draw visit

Specialist firms engaged for major projects

Three companies have been selected to provide specialist services across Crawley **Borough Council's multi**million pound regeneration and housing programme.

The partnership agreements made with Keegans, Project Centre and Horley-based Oander allow for deployment of their surveyors, construction designers, clerks of works, civil and structural engineers.

They will be involved in key projects such as new housing in Shackleton Road and Breezehurst Drive, plus improvements to Goffs Park, Little Trees Cemetery, Three Bridges Station and Western Boulevard

They will also look after the various watercourses for which the council has responsibility and be a part of the

works undertaken in Crawley Homes properties, such as fitting new kitchens and bathrooms.

All the successful companies have committed to meeting the council's Social Charter, pledging to be environmentally-friendly and responsible employers who will support local economic and community growth.

Keegans and Project Centre have both been delivery partners under previous contracts.

Dogs must be kept on the lead at all times while walking round Tilgate Lake, the main lawn, the Peace Garden and the golf course (excluding the perimeter path) so this new safe space is ideal for off-lead training.

The 0.8-acre space is set in the beautiful, relaxed grounds of Tilgate Park. It's located behind the Walled Garden and accessed from a path around the outside of the Walled Garden.

The safest walking route takes approximately 10 minutes from the toilet block near the main car park.

Tilgate Park also has a fully automated, self-serve dog washing station. The Polygon Pets machine is located by the main toilets and car park. This convenient washing station takes contactless payment and provides everything you need to shampoo, rinse and dry your dog.

Ten Little Toes Baby Bank

Ten Little Toes Baby Bank was set up in 2017 to support families facing hardship and crisis by providing child and baby essentials.

The charity moved into new premises in West Green Drive at the end of September, enabling them to provide support in the local area at a time when the increasing cost of living means demand is at an all-time high. Families are referred to them from all walks of life, giving hope and support with the essentials they need – prams, travel systems, cots and Moses' baskets, bedding, feeding equipment, clothes and much more.

The new hub in West Green means those in need can be reached quicker as well as increasing capacity to support more families in Crawley. The hub is located on two of the major Metrobus routes (2 and 3) and close to the town centre.

Ten Little Toes relies on donations and volunteers to make things work. So, if you have some time to spare and would like to get involved, or have good quality items to donate, please get in touch via tenlittletoesbabybank.org

Alternatively, follow them on Facebook and Instagram to stay up-to-date with the wishlist and ways to support their work.

Lessons in life at the 31st Junior Citizen fortnight

More than 1,600 children from Crawley's schools had exposure to some of life's lessons from experts across emergency services, public agencies and local businesses at Junior Citizen fortnight.

The Crawley Borough Councilorganised event, held at The Hawth, was open to all Year 6 children in the town, teaching the 10 and 11-year-olds to identify potentially dangerous situations, providing advice on what to do and helping them learn valuable life skills to encourage responsible citizenship.

Students with additional needs from Manor Green College also participated for the first time this year – one of 25 schools to take part.

Mayor of Crawley, Councillor Jilly Hart, and four Cabinet members visited one of the morning sessions to see the range of activities the pupils were involved in.

Moving round the carousel of stands, the students were met by police, fire, environmental health, railways, wellbeing and community safety personnel, and a representative of Metro Bank gave advice on managing personal finances.

A new home for St Catherine's

For more than 40 years, St Catherine's Hospice has been a beacon of outstanding care in Crawley.

Since it first opened, the hospice has provided vital palliative and end of life care for thousands of Crawley residents and their families. on its hospice wards and out in the community.

St Catherine's will be starting a new chapter with a move this month to a new, purpose-built hospice in Pease Pottage – equipped with the latest facilities so that it can continue providing exceptional care for another 40 years and beyond.

Giles Tomsett. Chief Executive at St Catherine's, said: "After 40 incredible years in Crawley, the move to Pease Pottage is full of emotions. It is such an exciting time but Crawley has always been our home and we are so proud and grateful to the Crawley community for helping to shape us into the organisation we are today.

We hope that Crawley will continue to embrace St Catherine's long into the future and everyone is welcome to come and visit us in our new home, five minutes away. We have a beautiful community hub with a spacious café right next to the hospice which is open to the public. Without the incredible support of Crawley residents our new hospice would not have been possible.
