# DOCKETCALENDAR

FOR

OUTLOOK

Now you can easily calculate, create, and distribute rules based deadlines with a few mouse clicks.

SIMPLE...

Using automated court rules to double-check deadlines, DocketCalendar helps legal professionals manage the process of ensuring that your critical dates are calculated accurately.

Quickly access court rules and date rules for each and every critical date and enter all of your dates with lightning speed directly onto our Microsoft Outlook Calendar.

EFFICIENT...

DocketCalendar for Outlook plugs right into Microsoft Outlook and links directly to your local courts rules. In just a couple of clicks, you can create and enter all of the events related to your legal matter.

DocketCalendar helps ensure that your deadlines are accurate, and on the calendar.

RELIABLE.

Once the events are on your calendar, DocketCalendar keeps them linked together making changes to a large group of events on your calendar quick and easy.

Using the reliable Microsoft Outlook network you will never have to worry about what is on your calendar because there is no online synchronization.

Outlook creates all of your events and they stay inside Outlook so all of your attorneys remain up to date on any changes to your matter.
