Warsaw, 15-03-2023

Two student fellowships at Centrum Fizyki Teoretycznej PAN

The Director of the Center for Theoretical Physics PAS invites applications for **one student fellowship** at the CTP PAS, within the project POLONEZ BIS: „*Wavization and quantization of the observables in the universe*”, led by **Dr. Nezihe Uzun**, funded by the Polish National Science Center (grant agreement No. UMO-2021/43/P/ST2/01802).

At the time of employment the candidate should either have a BSc degree, or will complete 3 years of the university studies. We search for a candidate interested in the research in the domain of **relativistic cosmology**. Among the tasks of the student will be the determination of relativistic optical properties of dynamical black holes. Accordingly, the candidate is expected to be familiar with advanced level of general relativity, in addition to at least basic gravitational lensing and/or gravitational radiation knowledge. Candidates with previous experience in numerical calculations/programming of gravitational lensing and/or gravitational radiation propagation equations are particularly welcomed. A short description of the project can be found at the web site <https://www.cft.edu.pl/pracownik/nuzun>.

Candidates should submit before **March 29, 2023**, the following documents:

1. The scientific CV, including the progress in the university studies, scientific achievements (publications, participation in research projects and conferences), and the document must contain a statement: “I consent to the processing of my personal data for the needs of the recruitment process (in accordance with the Law dated 29.08.97 on the protection of personal data (Journal of Laws, No. 101, item 926)”.
2. Personal questionnaire form (should be downloaded from CTP web site).
3. Signed RODO clause.
4. Certified copy of the BSc diploma or the letter about completing three years of the university studies (before the beginning of the employment).

Documents should be sent by e-mail to rekrutacja@cft.edu.pl until **March 29, 2023** with reference number **NU/06/2023**. Questions about the project and employment conditions should be sent directly to Dr. Nezihe Uzun (nuzun@cft.edu.pl).

Review of applications is expected before **April 6, 2023**. Applicants will be informed about the results by e-mail. The selected candidate will be employed for a period of 2 months. The fellowship is 3 000 PLN/month.

The starting date of the employment is envisaged to be the beginning of **April 7, 2023**.

Seniority of candidates will not be preferred by default. Instead, the Selection Committee will assess the expertise of the candidates, bearing in mind their qualifications and achievements at the career stage they are currently at.

Information Clause – Job Recruitment

Information Obligation under the Article 13 of the RODO *:

1. Data Administrator

The administrator who is a deciding entity on how your personal data will be used is the Center for Theoretical Physics PAN represented by the Director with the seat in Warsaw Al. Lotników 32/46. You can contact the Administrator by using one of the contact forms available on the website: : <http://www.cft.edu.pl/>

2. Data Protection Inspector

The Director of the Center for Theoretical Physics of the Polish Academy of Sciences has appointed the Data Protection Inspector (Inspektor Ochrony Danych - IOD) with whom you can contact in all matters relating to your personal data. You can contact the Inspector by sending an email to: iod@cft.edu.pl

3. The Purposes of Processing and the Legal Basis for Processing

Your personal data will be processed for the purpose of running the current recruitment. The basis for the processing of personal data are the provisions of the Labor Code Act of June 26, 1974 (uniform text: Dz. U. of 2018, item 917) and based on your consent for data processing.

4. The Period of Storage of Personal Data

Your personal data will be kept for the duration of the present recruitment.

5. Data Recipients**

The recipients of your personal data will be only entities authorized to obtain personal data on the basis of the law. Access to your data is provided only to employees authorized by the administrator and associates who must have access to the data to perform their duties.

6. Your Processing Rights

You have the right to access your data and the right to correct it or limit processing, as well as the right to appeal against the processing.

7. The Obligation to Provide Data and the Consequences of not Providing Data

Providing your personal data specified in the Labor Code is obligatory, and for the remaining extent voluntary.

8. The right to make a complaint to the President of the Office for the Protection of Personal Data

When you feel that the processing of personal data violates the provisions of the general regulation on the protection of personal data, you have the right to make a complaint to the President of the Office for the Protection of Personal Data.

Consent to Data Processing

I consent to the processing of my personal data by the Center for Theoretical Physics PAN for the needs of:

Present recruitment.

I provide the data voluntarily and I declare that they are truthful. I got acquainted with the contents of the above information, including information about the purpose and methods of processing personal data and the right to access my data and the right to correct them.

.....
date, candidate's signature

* Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of individuals with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46 / EC (general regulation on data protection)
