

## Load Board Pro

Find capacity and increase margins. With Truckstop.com Load Board Pro, you can:

-  Find quality carriers and hidden capacity to move freight quickly.
-  Track current carriers and send daily email notifications.
-  Use comprehensive data analytics to get your freight moved.
-  Benchmark your prices against the industry and compare competing loads.
-  Get total visibility into the movement of your freight.

## Rate Analysis

Get the rate trends you need from an accurate source. With Rate Analysis, you can:

-  Find the right rate, lane-by-lane.
-  Get a rate quote for an RFP on single or multiple lanes in minutes.
-  Upload several files at once.
-  Adjust settings and rank given to each rate source.
-  Benchmark your rates against the market for strategic planning and reporting.
-  See lane trends for the coming weeks (up to a year in advance).
-  Streamline your processes with reliable data from a single consolidated platform.

## Book It Now

Cover your loads faster by posting them with Book It Now.

-  You decide the rate—no negotiations.
-  Allow your preferred carriers to instantly book your loads.
-  Upload your carrier list all at once with bulk upload.
-  Get more time to grow your client list.
-  Automatically send rate confirmation to drivers.

## Integrations

Partner with a trusted freight matching marketplace. With Truckstop.com, you can:

-  Access Truckstop.com solutions without leaving your TMS.
-  Exchange information in real time with a one-time configuration.
-  Integrate your API, partner test environment, and technical implementation data.
-  Access a technical support staff dedicated to customer success.

## Onboarding

A cloud carrier management solution to recruit seamlessly. With Truckstop.com, you can:

-  Oversee each onboarding campaign and task from your digital dashboard.
-  Pre-qualify, on-board, and monitor carriers with branded web portals.
-  Control carrier risk with our government, FMCSA, and insurance database.
-  Choose factors to pre-qualify carriers and get auto-alerts if qualifications change.

## Pay

Turn your payments into profits. Truckstop.com has a better way. Pay can help you:

-  Protect payment data and decrease fraud with a secure payment platform.
-  Streamline manual processes by eliminating check, ACH, and wire fees.
-  Eliminate bank transaction fees.
-  Increase profits by 2% with our Quick Pay option.
-  Access payments from anywhere via our mobile apps.
-  Easily set payment terms.
