Transportation
Simplified™

Goodbye,
complicated.

Hello, Echo.

At Echo, we have one goal: to simplify transportation for our clients. From coast to coast, dock to dock, and across all major modes, we help businesses that need to ship their products quickly, securely, and cost-effectively.

Our team simplifies the logistics process so you can focus on what you do best.

Freight Brokerage

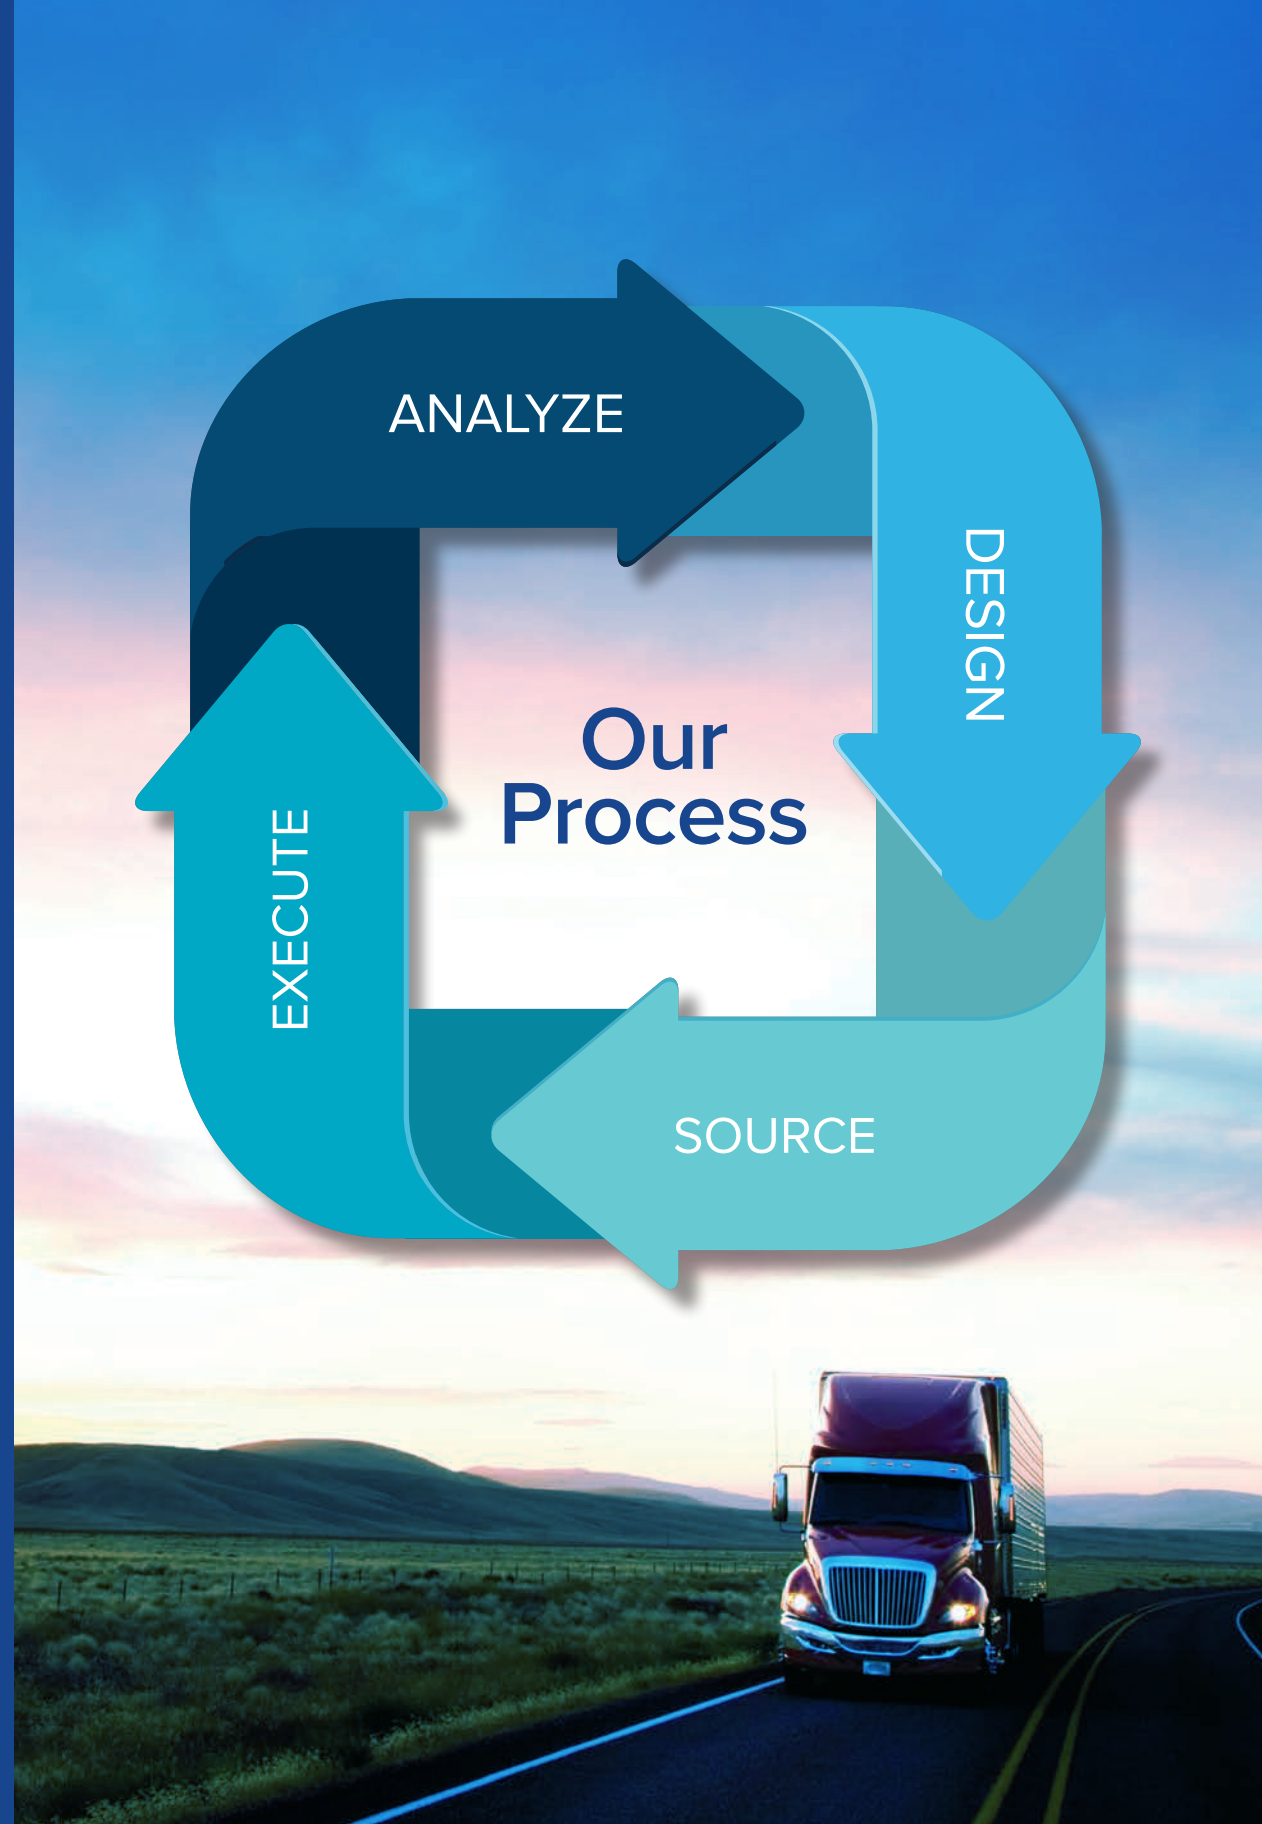

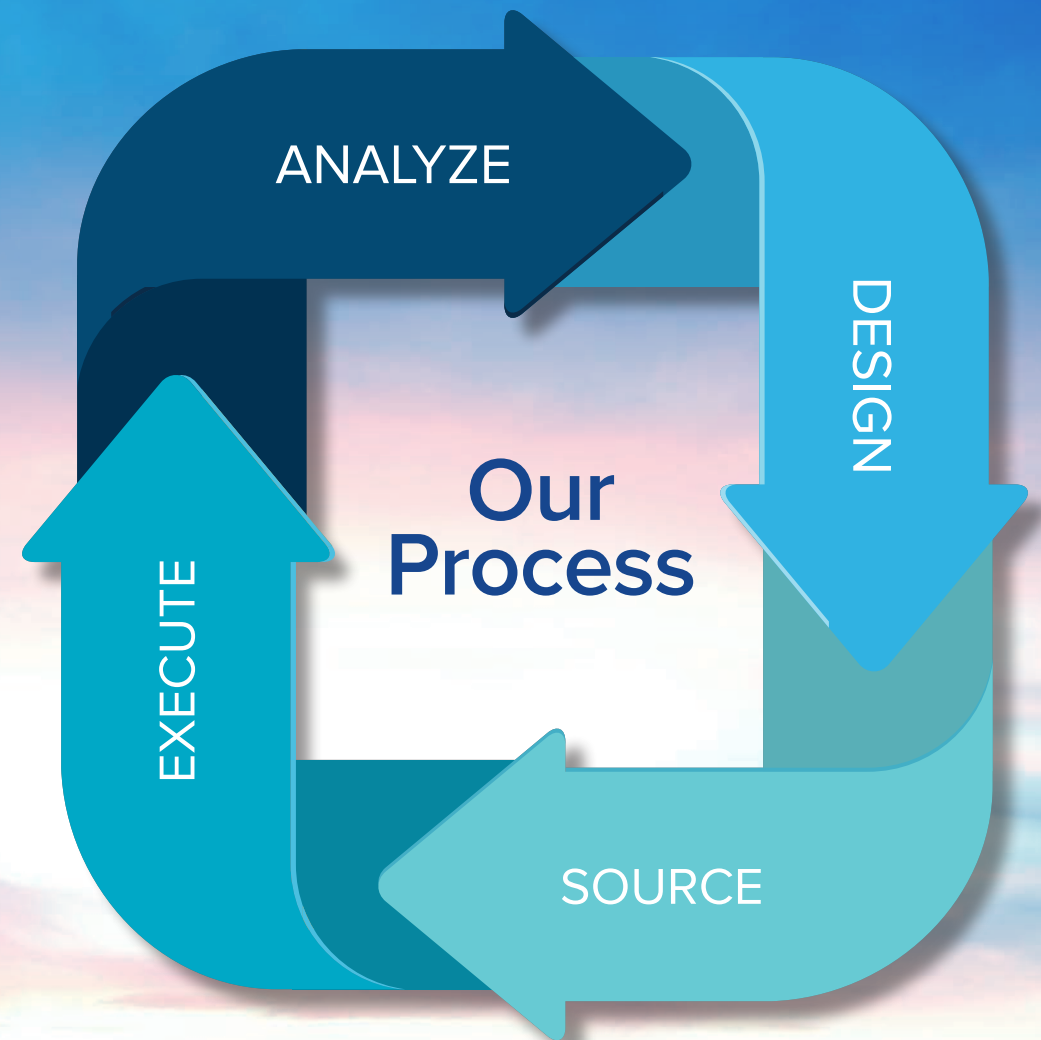

We match each shipment with the optimal mode and ideal carrier. Our expert team brings you a multimodal offering that includes:

- Full Truckload
- Partial Truckload
- Less Than Truckload (LTL)
- Intermodal Rail
- Expedited
- Specialized Services
- International Air & Ocean

From a single shipment to an entire location, we are equipped to handle your needs.

Managed Transportation

Our commitment to excellence and innovation, delivered by the industry's most talented transportation professionals, enables us to design solutions to fit the unique needs of our clients. Our dedicated team evaluates each client's transportation requirements, discovers efficiencies, and delivers simplified transportation management—all with a relentless focus on execution, visibility, and continuous improvement.

We have an unmatched national footprint.

That gives us access to the capacity and freight to keep things moving. We have built solid partnerships with over 40,000 carriers, creating a robust network that matches the needs of our shippers with the needs of our carriers. Our capacity and geographic coverage allow us to move more than 14,000 shipments every single day for our 35,000 shippers.

Our proprietary, best-in-class technology is the key to simplifying your transportation.

Our integrated portals and customized applications deliver real-time connectivity across your transportation network.

The result is ongoing shipment visibility, seamless communication, and comprehensive reporting.

Because our team members care,
they go the extra mile to exceed
your expectations.

We work to provide best-in-class solutions guided by
a strong set of values which we call the Echo Way.

It's more than words—it's a set of beliefs that serve as
the foundation of our unwavering commitment to
simplify transportation, guiding us every single day
in serving shippers and carriers.
