### Code of Conduct

This conference provides a platform for content and information sharing among a group of interested individuals. Education and innovation are at the core of our business, and we want the time you spend with us to be valuable. Our goal is to create a safe environment for building relationships, free from judgment, harassment and discrimination.

Professional decorum is expected at all times during our events, and lack of decorum, determined at the sole discretion of BTC Inc, is a basis for participation to be terminated. Law enforcement will be present at the event venue to make sure your experience is a safe and happy one. Thank you for understanding and cooperating with our conduct code.

We appreciate you being a part of our community and we look forward to advancing the bitcoin message together at our upcoming event.
