

# MAKER'S YARD SALE

## Saturday, July 16, 9am-1pm

**Clean out your creative space and put some extra cash in your pocket! Gather up all those unused creative materials that you don't want anymore and the projects collecting dust in the corner and sell them at the Maker's Yard Sale. Sell that which does not inspire you and shop for new materials to encourage your creativity!**

**This 'yard sale' will be held indoors and is free and open to the public.**

To become a vendor, submit a completed application and submit payment by **Friday, July 1<sup>st</sup>**. Completed applications can be emailed to [programs@artsglenallen.com](mailto:programs@artsglenallen.com); dropped off at the Center's front desk, or mailed to: CACGA, Attn: Maker's Yard Sale, P.O. Box 1249, Glen Allen, VA 23060

Vendor fee is \$5 per 6-foot table. Fees can be paid by check made out to 'CACGA'; by credit card through the Center's online gift shop at [www.artsglenallen.com](http://www.artsglenallen.com); or in-person at the Center's front desk.

### Please note:

- Vendors provide their own methods of payment, including cash for change. The Center will not be able to provide change.
- While tables and a chair are provided by the Center, all other display materials are the responsibility of the vendor.
- Vendors are welcome to barter or negotiate prices as they see fit.
- Items not related to art and craft making will not be allowed. All items must be considered material for creative inspiration (artwork, supplies, books about art or creative processes, sketchbooks, tools, etc.) or may be finished products the maker wishes to clear out at yard sale prices. Vendors who include items not related to making or which is a handmade product will be asked to remove these items. No refunds will be offered to vendors whose products are not acceptable.
- Finished art and craft items may be sold, but this is not an arts market. Finished projects offered should be sold at yard sale prices. This event is perfect for selling older pieces that haven't found a home to make more room in your studio or to sell imperfect pieces. Otherwise, focus of this event is to sell materials and supplies.
- All UNSOLD items must be removed by the seller or seller may consider donating unsold supplies to the Cultural Arts Center for use in their Outreach programs. A designated area for donations will be assigned.
- Vendors must provide shopping bags for their customers.
- Vendors are also encouraged to share photos of some of the items they will have for sale to help with marketing and promotion of the event.
