DESIGNS**

Over 15 years' experience, talented stone masons, skilled in-house fitters and state of the art machinery have secured our position as a leading UK Fabricator. But it's our passion for detail, service excellence and reputation handling the most intricate of designs, that truly sets us apart.

As seen on "Ugly House to Lovely House."

Whether precision engineered or hand-crafted by our expert stone masons every Rock Revelations product has been fabricated to the most exacting standards and exceptional quality.

We source the finest raw materials from around the world to create stunning surfaces for your home and have built our business and reputation on the excellent craftsmanship of these exquisite materials.

From kitchen to bathroom, hallway to living room and throughout your home, choose from over 400 colours, beautiful materials and breathtaking designs. Worksurfaces, splashbacks, islands, flooring, bathroom walls, vanities, flooring and more.... Be inspired!

The Beauty of Natural Stone

From the spectacular veining of marble to the striking luxury of granite, create dramatic designs for your home with natural stone.

Expertly book and vein matched by our skilled stone masons across horizontal and vertical surfacing, our attention to detail is second to none and the results are simply stunning.

Quartz & Engineered Stone

We are delighted that our showstopping quartz creation was featured on Channel 4's **Grand Designs**. From spectacular geometric to curved designs, our talented team are constantly pushing the boundaries in fabrication techniques and cutting-edge developments. Visit our website to find out more about our Grand Designs project!

Ultra-Compact Surfaces

As a Dekton Gold Fabricator, we are experts in the fabrication of ultra-compact and sintered ceramic surfacing.

Ultra-sophisticated and delivering outstanding performance in the most striking designs, these surfaces are beautifully elegant whilst delivering exceptional heat, impact and water resistance.

Throughout Your Home

We've built our business and reputation on the excellent craftsmanship of exquisite materials.

Whatever the project, from the intricate detailing in this unique Onyx egg design to beautifully crafted vanity units and steam rooms, our experience in stone fabrication is unrivalled.

Supported by our professional in-house fitting team we are with you every step from design to supply to install and aftercare.
