Warrior Dash Celebration!

Warrior Dash wrapped up in early October! We raised just over \$60,000 in donations from our community. The events we hosted were so fun for our students and staff - smiles all around. As always, the inflatables were the biggest hit!

Prizes have been ordered and we hope to deliver them before December!

A special thank you to the volunteers who helped us run the events!

You all were rock stars!! We appreciate your flexibility and willingness to help. We still have a few dash shirts left! If you were a volunteer at a Warrior Dash event and would like a shirt, please email us at warriorpto@gmail.com! We currently have adult L-2XL left!

Orchard Hills Warrior Store

PTO is helping staff the Orchard Hills Warrior Way store again this year! Kiddos look forward to the rewards they've earned and it's so fun to get to help them. We have made a few changes - there will be a mobile store in each hallway that run simultaneously! The first store is October 18!

PTO Purchase Requests

Teachers have been utilizing our PTO Purchase request program this fall to receive thousands of dollars worth of classroom supplies that they can use immediately with students. From sharpies, to indoor recess games, to laminators- teachers submit a form and, if approved, PTO is able to get them their needed materials fairly quickly. We are thrilled to see happy teachers and happy students :)
