Words & Music by Glen Hartmann, Johanna Lim, Faith Matts, John Matts & Pete Nash | CCLI #7179683

## Verse 1

Every day we can't help but sing  
You've proven You're faithful again  
and again  
You put a song deep in our hearts  
We're so grateful Lord for all  
You've done

## Pre-chorus

Your love, Your grace  
Given freely to us is reason  
enough  
To praise Your name  
'Cause You give us a reason to  
sing  
And the reason is You

## Tag

You give us a reason to sing  
And the reason is You  
You give us a reason to sing  
And the reason is You

## Verse 2

The melody of Heaven resounds  
We join in to sing of Your glory and  
power  
This sound of hope has to be sung  
Declaring the wonders that You've  
done

## Bridge

Your mercy, Your goodness  
Your Spirit within us  
We're found in Your presence  
Never lost or forsaken

## Bridge tag

You give us a reason  
There's so many reasons  
You give us a reason to sing  
And the reason is You
