

Everything I Need

Words & Music by David Darby, Joshua Huirua & Kenan Stephenson | CCLI #7166177

V1

Hands high with my heart wide open
I surrender again
Your love won my heart's devotion
And I give it again

Pre-Chorus

My heart was searching hard to find the reason why I'm breathing
Your love it chased me down and now my life has found its meaning

Chorus

You're everything I need
You're everything I need
You're everything I need and more

Jesus, have every part of me
I give You everything
You're everything I need and more

V2

In You I have found true freedom
I surrender again
I found life when I gave it over
And I give it again

Bridge

You are everything my heart was searching for
You're everything I need
