V1

I want to be close
I want to be close to You
Close to You

I don't want to be far
I want to be where You are
Where You are

Pre-Chorus

Everything I thought I needed, doesn't compare to You, Jesus
You're the one who bought my freedom, I choose to give it to You

Chorus

I'm drawing closer to You
I'm drawing closer to You
All that I need is found in You, Jesus
I'm drawing closer to You

Bridge

I worship You, Jesus
My saviour and king
Have my offering
I'm giving all I am to You

I honour You, Jesus
The glory is Yours
It's You I adore
I'll sing Your name forevermore
