Feelings always try to stop me  
From praising You  
I'm choosing to give You glory  
For You are good

Fear is always trying to stop me  
From breaking through  
True freedom I find here with You  
My God You're good

For You are good  
I'll thank You in the blessing and in the valley  
My God You're good

My God You're good

Faithful You are always with me  
I'm never alone  
In Your house I'm gonna stay forever  
My God You're good

In every season  
You're working for my good  
I know that I can trust You  
I give You all I am

In the heartache and on the hilltop  
I will praise You all the same  
In the blessing and the valley  
My God You never change

My God You're good
