

Me Plus 3

Directions: Answer the question in the “Me” box. Then, talk to three peers and jot down their ideas, using their vocabulary and any evidence that will help you add to your own ideas. Lastly, reflect on all of the ideas and re-write your answer using the best vocabulary and evidence!

SAMPLE

Me:

Question: *Why does the author think that tiny houses are a good idea?*

My Response: They are easy to take care of.

Conor: The author says it's good because they are cheaper.

Karissa: A tiny house is better for the environment.

LaToya: The book says that tiny houses don't cost as much money.

Me:

My Revised Response: The author says that tiny houses are good because they are cheaper and easier to take care of. Also they are better for the environment.
