Inspired Instruction

Editable Activities for Virtual Learning

For each Google document, make a copy and then edit as needed.

- **Double Entry Journal**

  - On this graphic organizer, students can find textual evidence, add their response, and collaborate with peers.

  - https://tinyurl.com/DEJournal

- **Me Plus Three Activity**

  - In this activity, students answer a question in the "Me" box. Then, they talk to three peers and jot down their ideas, using their vocabulary and any evidence that will help them add to their own ideas. Lastly, students reflect on all of the ideas and re-write their answers using the best vocabulary and evidence!

  - **https://tinyurl.com/CollaborativeAnswer**

- **Questions for the Author**

  - On this graphic organizer, students brainstorm questions they would ask the author about his/her text.
