

## Google Tasks: Summative Assessment Ideas

**At the end of a lesson/unit, here are some ways to have students incorporate Google into a summative assessment.**

- **Google Document Task**
  - Create an interview style article. Have two peers review it using the comment feature.

- **Google Slides Task**
  - Create a 3-slide presentation (record yourself giving the presentation and share it).

Google Slides

Google Drawings

- **Google Drawings Task**
  - Create a poster that includes photos/clipart, word art, and a variety of fonts and colors.

- **Google Forms Task**
  - Create a 3 question “quiz” on the lesson’s main points (make sure to create an answer key).
