

New Teacher Acceleration Program

Wondering how you will support your newly hired teachers this fall?
Here is a sample plan for how we are helping schools with new teacher support:

Inspired Instruction's New Teacher Acceleration Program will provide a **comprehensive, job-embedded** program that includes:

Professional Development for New Teachers

- Targeted workshops and/or work sessions based on trends identified during in-class visits (instructional practices) or administrator preferences, such as:
 - *Classroom Management*
 - *Establishing the Differentiated Classroom*
 - *Providing Better Quality Instructional Feedback*
 - *A Guide to Rigor in the Classroom*

Individualized Support

- In-class visits to identify strengths and PD needs with written feedback, and coaching support (demo lessons, co-teaching) as needed
- Customized monthly individualized debrief (coaching) sessions on areas of need identified through classroom visits or identified by new teacher (virtual or on-site)

Ongoing Support and Resources

- Pre/post assessment
- Access to webinars
- Access to vetted and standards-aligned resources
- Ongoing communication with school-based teacher mentors (as requested)

Proposed Schedule for New Teachers:

1 time per month, 2022-2023	Monthly professional development workshops/work sessions (half day)
1 time per month, 2022-2023	In-class visits/coaching
1 time per month, 2022-2023	One-on-one sessions

Interested in implementing a New Teacher Acceleration Program in your building for the 22-23 school year?
