

Teaching and Learning Priority Checklist 2022-2023

Student Performance
<input type="checkbox"/> Has your assessment data been analyzed?
<input type="checkbox"/> Have interventions been planned based on the data?
<input type="checkbox"/> Have resources been identified to carry out those interventions?

Mental Health/Social Emotional Learning
<input type="checkbox"/> Have you seen an increase in mental health or discipline referrals?
<input type="checkbox"/> Have teachers reported a lack of student engagement?
<input type="checkbox"/> Have the schools within your district incorporated social emotional learning into academic instruction?

Teacher Support
<input type="checkbox"/> Have you experienced an influx of new teachers?
<input type="checkbox"/> Are teachers reporting that they feel stressed and overwhelmed?
<input type="checkbox"/> Have any schools in your district experienced a decline in culture and climate?

If you are experiencing challenges in any of these areas, we can create a customized path of support and interventions to help you meet your goals.
