

SHORT PROGRAMME CERTIFICATE IN ACTING

What you will cover:

Duration: 30 hours

From understanding theatrical voice and projection to embodying characters through body language, our short acting programme provides a comprehensive foundation. Delve into realism with Stanislavski's techniques broadening your acting repertoire. Script analysis, character development and a specialised focus on both stage and screen acting techniques will sharpen your skills.

The course culminates in practical assessments, including a thrilling screen assessment and a captivating final stage performance open to the public. Join us, and in just 30 hours, you'll gain the confidence and proficiency to bring characters to life in any acting medium!

Course content includes:

- Introduction to acting
- Acting systems
- Voice, body and mind
- Final performance
- Acting techniques
