

## SHORT PROGRAMME CERTIFICATE IN GRAPHIC DESIGN

### What you will cover:

Duration: 36 hours

During this course, you will cover the following:

#### Fundamentals of Graphic Design

You will learn the technical literacy and concepts of graphic design. You will also be exposed to conceptualising original and visually stimulating designs.

#### Adobe Photoshop

You will gain indepth knowledge to effectively explore and create images and designs to captivate your target audience.

#### Adobe Illustrator

Within the duration of this module you will be able to transfer your concepts into creative design elements used for print and online.

#### Adobe InDesign

Upon completion of this module you will be able to use the functions available in order to streamline the design process of single and multi-page documents right through to creating print ready files.

The course includes class projects that will enable you to build a personal portfolio to show prospective employers or clients.
