What you will cover:

Duration: One year. Full time

The **ECD Practitioner Certificate** course is your ticket to becoming a super-skilled early childhood development (ECD) teacher.

Get ready to **play a vital role** in shaping young people's lives; from the baby stage all the way to Grade R. As an ECD teacher, you will dive into a lively and all-inclusive, play-packed atmosphere. You will become an expert at setting up awesome learning spots, **running daily fun activity programmes** and making sure children are safe, sound and having a blast at crèche or pre-school. The demand for top-notch ECD teachers is on the rise. Whether you dream of joining an existing school or **starting up your own school**, this certificate is the first step in your career; allowing you the opportunity to make a big **impact on a child's education** journey.

Subjects:

Introduction to Early Childhood Development | Child Development | Programme Planning | Facilitation & Mediation | Assessing the child's progress | Nutrition, Health and Safety | Administration | Collaboration | Practical teaching experience (*minimum three-month school-based practice in an educate/pre-school centre*)

This course opens the doors to the following career opportunities

- ECD teacher
- Educator of play group
- Au Pair
- Childcare centre administrator
- And many more
