## Community Spiritual Formation with Rev. Dr. Gary Neal Hansen

Christ calls us into a resurrected life filled with grace, hope and love. We are grounded in a loving relationship with God and one another. Many of us feel spiritually tired and drained, longing for connection with God and one another. As baptized children of God, we are called to care for one another. Kindling Faith is working with the Lower Susquehanna Synod to create this sacred time and space together.

Because of his commitment to life-changing spiritual practices and prayer, we are partnering with The Rev. Dr. Gary Neal Hansen, author of *Kneeling with Giants*, for an intentional season of soul care. Beginning late September, we will gather in-person and online for days of spiritual retreat and refreshment. This invitation is for anyone desiring to grow deeper in their relationship with God.
