

Notice Regarding Golf Outing
At
EL CONQUISTADOR RESORT
2021

Our golf outing will be held on Saturday, November 13, 2021. This event is being sponsored by AFLAC, Michael DeStefano and Mesirrow Financial, Andrew Pataki.

Joseph Mannion, Treasurer of the New York State Public Employees Conference, will be coordinating the Golf outing. To ensure that everyone gets out in a timely fashion and to avoid confusion at the course, Joe will be organizing the foursomes for the shotgun start prior to the golfers arriving at the course on Saturday. We need to inform the Golf Course Coordinator of the number of golfers we will have so he can properly prepare for our outing.

Joe has requested that you contact him at his e-mail address nycsoal@yahoo.com (please note that is the number 1 in Mannions e-mail) or cell phone 347-432-0693 to confirm your attendance at the golf outing no latter than October 22,2021 In addition Joe asks that you submit the names of your foursome. If you do not have a foursome, he will fit you into one. This will avoid the confusion of golfers switching the last minute. **You need to let him know if you need rental clubs (right or left handed).** We will have a dedicated beverage and snack cart for our group only. We will also provide a box lunch.

Transportation will be provided. **Please let Joe know if you will be utilizing the bus to the Golf Course,** so that we can have the right size bus contracted to accommodate our group. ****We have to pay for last minute cancellations for the bus so please do not sign up to use the bus if you intend on using your own transportation to the Golf course.**

PLEASE NOTE THAT THE BUS WILL DEPART THE CARIBE HILTON AT 6:30 AM. FOR A SHOT GUN START AT 8:30AM SHARP.

Dear Directors and Legislative Directors:

Now that the scheduled legislative session has come to an end, I will be focusing on preparing for NYSPEC's upcoming Annual Meeting/Convention. However, because the agenda still is being finalized, I don't anticipate having it completed until late July. The providers who have supported our convention over the years will be receiving their invite letters shortly. Based on the way the registrations are going, I anticipate a large turnout. If you are planning to attend and have not yet registered with the hotel, I suggest you do so *as soon as possible*.

While it was stated on the hotel registration information that the cutoff date to book a room is October 1, that is only to preserve the rate of \$194.00 *if there are still rooms available*. I can tell you with much certainty that there will be no rooms available *long before* October 1. I realize some of you have had difficulty registering, however we are working through those issues and anyone that has notified me of a problem has had it rectified.

I noticed that some of you have booked multiple rooms under the same name and the same confirmation number. Note that in those cases I will just pick one of the rooms to receive the four days' credit. I do not want to add more confusion when reconciling the bill with the hotel staff by making changes at the last minute.

Many of you have called with questions pertaining to the meetings, golf event, sponsored events etc. I have outlined below a brief summary (see below) of our *anticipated* agenda to help you plan accordingly.

When the agenda is finalized, you will see exactly what will be discussed during the three General Session meetings. We will have much to discuss this year as we plan for the 2022 legislative session, therefore it is important to have your participation and input at the meetings. The convention agenda is structured to allow us to accomplish our objectives while still allowing plenty of time to unwind and network.

I hope this information is helpful, and that you can plan your dates accordingly.

I'm not sure how many of you I'll see at upcoming events prior to the NYSPEC convention. I wish all of you a great summer, and know that I am always available via email or cell (917.418.7981) to discuss any issues or questions you may have. I look forward to seeing all of you at our convention!

In Unity,

Peter D. Meringolo
