**An act to amend the civil service law, in relation to safe staffing
for public employees of institutional settings**

SUPPORT!

This proposed legislation, which would take effect 60 days after being signed into law, would prohibit the mandating of excessive overtime at state run correctional facilities, locally run correctional facilities or jails, juvenile offender and adolescent offender facilities and certain facilities regulated by the Office of Mental Health and the Office for People with Developmental Disabilities.

It would require that employees of covered facilities shall not be required to work in excess of the following, except during a declared emergency or in accordance with provisions of a collective bargaining agreement: the scheduled shift or duty period; 17 hours in any 24 hour period; 80 hours in a consecutive 14-day period.

Further, administrators of covered facilities will be required to report, quarterly, on staffing levels, vacancies, waiting lists and various other staffing and facility related issues.

The New York State Public Employee Conference (NYSPEC) is an umbrella organization comprising approximately 80 diverse unions and groups representing a wide spectrum of more than one million active and retired public employees. NYSPEC wholeheartedly supports this proposed legislation, and urges its swift enactment.
