L.O:

- ▶ To understand that we are all unique.
- ▶ To recognise what makes me unique and beautiful.

STARTING ACTIVITY (5mins)

GROUP DISCUSSION – Together talk about how are we all unique and what makes each of us special?

Let's celebrate our differences, appreciate the beauty of diversity, and treat others with kindness and respect. Have the children think of something that they might make them unique. This could be part of their culture, how they look, or something about their personality.

MAIN TEACHING (10mins)

Tell the children that we will be exploring the beauty of diversity and how each person is unique in their own way. Our differences, be it cultural, visual, or personal, make us who we are. Let's celebrate and learn to appreciate the wonderful tapestry of humanity.

Now have them design a poster to share with others that highlights this quality.

Explain that culture encompasses our customs, traditions and beliefs. Our cultural backgrounds shape our identities and bring a richness to our lives.

PLENARY (2mins)

GROUP DISCUSSION – Ask for volunteers to share their Little Diffs poster and see if the other children can suggest something else that makes that person unique.

Visual differences include our appearances, such as skin color, eye shape, and hair texture. These differences make us visually unique and beautiful. It's important to recognize that beauty comes in all shapes, sizes, and colors.

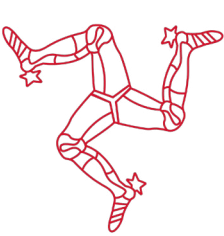

In addition, our personalities, talents, and interests make us distinct individuals.

MAIN TASK - (15mins)

Tell them that we are all wonderfully unique, culturally, visually, and personally.
