

Moving into More [Lyrics, 114 bpm, 4/4]

[Free Worship - Default Arrangement] by Alexandria Gomez, Anthony Gomez, Anders Hagstrom,...

Verse

When I think about Your goodness
and everything You've done before
When I thought I reached the limit
You begin to show me more
When I'm walking in Your blessings
and every promise is made sure
I am only on the surface
of everything You have in store

Chorus

You, take us higher and higher
In You, Your never-ending love knows
No limits no levels
Everything I need is found in You
I'm moving into more because of You

Turn

Bridge

We want more, more of You in us
We believe You have more to do in us
Take our hearts, here we are
