[Free Worship - Strong Enough Album - Default Arrangement] by Alex Gomez, Anders Hagstrom,...

Intro: F#, A#m,

Verse 1

We can hear the sound of the river roaring
Your glory on the brink of rushing in
On the brink of rushing in
We can hear the sound of the chains falling
Hope has come alive in us again
Come alive in us again

PreChorus

Your Spirits moving through the earth and we can feel it
A mighty wave is bringing healing we declare it
a fire burning in our hearts we can't contain it
we're going all the way

Chorus

We're coming alive when your Spirit moves
Coming alive
We're coming alive when your Spirit moves
Coming alive

Verse 2

We believe you move when you hear us calling
Lord, you're drawing near to us again
drawing near to us again
We believe you move with our praises rising
Your presence brings new life to us again
Brings new life to us again

BRIDGE:

From death to life you have raised us
All strength restored in Jesus name
Now to the dry bones we speak
Come to life, Come alive again

From death to life you have raised us
All strength restored in Jesus name
Now to the dry bones we speak
Come to life, Come alive again
