

# Unending Love [Lyrics, 78 bpm, 4/4]

[Free Worship - Strong Enough Album - Default Arrangement] by Anders Hagstrom

## Verse 1

Above all my weaknesses  
Beyond my unfaithfulness  
Outlasting my brokenness  
Is your love  
When I see myself in shame  
and fear that I'll never change  
You call me home again  
To your love

## Chorus

I will take hold  
Of all that you are  
You are unending love  
Unending  
Nothing in this world  
Can tear me apart  
From your unending love  
unending

## Verse 2

Behind every perfect thing  
Deserving my offering  
I give all that I can bring  
For your love  
The reason I'm here today  
The reason my debt is paid  
The reason fear falls away  
Is your love

## Bridge

Take all of me  
Take all of me  
I believe your love will never end  
My sin couldn't stop you  
the grave couldn't hold you  
I believe your love will never end  
The cross is before me  
My past is behind me  
I believe your love will never end
