## **Verse**

I've Come to meet you here  
I'm better right here  
I'm better right now

I give you all my fears  
I lay them right here  
I lay them down

## **Chorus**

I put my trust in you  
I put my hope in you  
I put my faith in you  
for your glory

## **Bridge**

We put our trust in you God  
We put our hope in you God  
We put our faith in you God  
Always, Always

Fear is not bigger than God  
Fear is not bigger than God  
Fear is not bigger than God  
No way No way
