**V1, C, V2, C, B, C**

V1, C

## **Verse 1**

We come together with one heart  
To lift you up lift you up

You are faithful in all things  
You are able able

## **Verse 2**

A strong tower, the only  
You lift me up lift me up

You are faithful in all things  
You are able able

## **Chorus**

Set a fire set a fire down in my soul  
let it burn let it burn out of control  
You alone You alone satisfy my soul  
Jumpstart my heart

**OH///**

Jumpstart my heart

## **Bridge**

I believe with You dead come alive  
I believe that You changed my life  
I believe with You I'll be alright  
I believe in your love
