You saw my weakest moments  
You heard my every prayer  
You held me in my sadness  
Your love met me there

## Verse 2

Your grace has never failed me  
Your presence brings new life  
And all your promises for me  
They will come to pass

## Chorus

Glory and honor be unto the name that's above  
All names forever and I will always sing your praises

You're always fighting for me  
The war already won  
And You remain victorious  
Let Your kingdom come

## Verse 4

Your glory is eternal  
Your love it never ends  
And I will sing forever  
My God my King my friend
