

Another Reason [Lyrics, 71 bpm, 4/4]

[Default Arrangement] by Alexandria De Jesús Gomez, Anders Hagstrom, Anthony Gomez, Clayton...

Verse 1

Father, where do I start
Faithful You've been,
Faithful You are
Ever guiding my steps
Lifting my head
Holding my heart

Chorus

I don't need another reason to praise You
I don't need another reason to praise You
My life, my breath are all the reason I'll ever need
My life, my breath are all the reason I'll ever need

Verse 2

When I wander from You
I hear Your voice
Pulling me in
Your love faithful & true
Holding me close
And I'll sing again

Bridge

Even if I never see You move
I'll still praise You
Even after all that I've been through
I'll still praise You
I know every promise will come true
There is nothing that You have to prove
I will bless You
I will bless You
