## Verse 1

**E** **F#** **G#m7 B/D#**  
In the wonder, in all things unknown  
**E** **F#** **G#m7 B/D#**  
In this moment there's revival

From the valleys to the highest throne  
**E** **F#** **G#m7 B/D#**  
In Your presence there are miracles

## Chorus

**E** **F#**  
Higher than mountains rise  
**G#m7 B/D#**  
The King of Kings resides  
**E**  
In the waiting  
**F#**  
In the giants we face  
**G#m7**  
Through the breaking  
**B/D#**  
He is making a way  
**E** **F#**  
Rise up you weary souls  
**Gm7 B/D#**  
Our King breathes miracles  
**E**  
Here before us  
**F#**  
Every battle is won  
**G#m7**  
He is for us  
**B/D#**  
And here comes the kingdom

## Verse 2

**E** **F#** **G#m7 B/D#**  
In the waters holding back the waves  
**E** **F#** **G#m7 B/D#**  
In the power of an empty grave  
**E** **F#** **G#m7 B/D#**  
Undefeated, standing by my side  
**E** **F#** **G#m7 B/D#**  
King of heaven, here be lifted high
