Five Rivers Health Centers Ribbon Cutting Ceremony for New Edgemont Campus

DAYTON, OHIO—Five Rivers Health Centers ribbon cutting ceremony and grand opening for its new Edgemont Campus will be held on Wednesday, May 11, 10:00 a.m., at 721 Miami Chapel Road in Dayton. The media is encouraged to attend for photo opportunities and interviews.

“Five Rivers Health Centers is thrilled to officially open its 84,000 square feet health center in the Edgemont neighborhood,” said Gina McFarlane-El, CEO.

“The New Campus will eliminate previous logistical barriers by being a comprehensive health care facility for our clients – a “one-stop” shop for the patients we serve. Most importantly, the Edgemont Campus will be built for growth, with additional exam rooms and services that will meet the needs of the community for the next 5 – 10 years.”

Five Rivers Health Centers has consolidated programs and services from six different sites into one larger, multipurpose, innovative building. Through input from the community, staff and patients, the Edgemont Campus has 88 exam and procedure rooms, drive-through pharmacy, community space, and on-site laboratory and x-ray. The site will continue to provide an exceptional learning environment for more than 100 Wright State University Boonshoft School of Medicine residents and fellows.

Five Rivers Health Centers is a non-profit, Federally-Qualified Health Center (FQHC) committed to increasing access to quality, comprehensive and respectful care for our patients and community.
