Form 990, Part VI, Line 11b - Organization's Process to Review Form 990

The Form 990 was prepared by the outside accountants and reviewed by the Executive Director. A copy of the final return was provided to the Board of Directors prior to filing it with the IRS

Form 990, Part VI, Line 12c - Enforcement of Conflicts Policy

Each director and officer must annually sign a conflict of interest statement in connection with any actual or possible conflict of interest.

An interested person discloses the existence of the financial interest and is given the opportunity to disclose all material facts to the board or executive committee. After disclosure of the financial interest and all material facts, and after any discussion with the interested person, he/she leaves the board or executive committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or executive committee members decide if a conflict of interest exists.

After exercising due diligence, the board or executive committee determines whether SACH-US can obtain, with reasonable efforts, a more advantageous transaction or arrangement from a person or entity that would give rise to a conflict of interest. If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the board or executive committee determine by a majority PF vote the disinterested directors whether the transaction or arrangement is in SACH-US best interest, for its own benefit, and whether it is fair and reasonable in conformity with the above determination, it makes its decision as to whether to enter into the transaction or agreement.
