

# 25 YEARS OF HOPE MISSION

## SAVE A CHILD'S HEART

SEPTEMBER 11 -18, 2022

Discover the magic of Save a Child's Heart by becoming immersed in its everyday world. See firsthand the work of Israel's preeminent international humanitarian organization.

**Mission highlights:** VIP greeting upon arrival at Ben Gurion Airport and transfer to the hotel, private tour of the new ANU Museum, tour and meet patients, doctors, and medical teams at the new Sylvan Adams International Children's Hospital, spend time with the children at the SACH house, meet the medical residents and hear their stories, private briefings with Israeli officials, Ambassadors and so much more. SACH is the focus, but we can't be in Israel and not discuss the geo-political situation with lead scholars. Experience the culture of Israel through its food, art, fashion, entertainment, and innovation. Shabbat in Jerusalem, and special guests.

## WHO WE ARE

Save a Child's Heart (SACH) is an Israeli-based international non-profit organization, with special consultative status granted by the United Nations Department of Economic and Social Affairs (ECOSOC) and recent recipient of the 2018 prestigious United Nations Population Award.

Save a Child's Heart was founded with the mission of improving pediatric cardiac care for children in developing countries and creating centers of competence in these countries. SACH's goal is to improve the health and welfare of all children, regardless of the child's nationality, religion, color, gender or financial situation.

OVER 6000 CHILDREN SAVED FROM 63 COUNTRIES

## WHAT WE DO

Provide life-saving cardiac surgery and catheterization for children from developing countries at the Wolfson Medical Center in Holon, Israel

Provide a comprehensive training program for doctors and nurses from these countries

Lead surgical and catheterization teaching missions to partner countries in the developing world

Hold pre-operative and follow-up cardiology clinics
