Part 2: Is Hell Really Real?

INTRODUCTION

Perhaps hell is even more difficult to discuss than death. But if we believe there is an enemy that wants to keep us from Jesus and experiencing His richness in this life and the next, it's so important to listen to what Jesus says about it.

LET'S TALK ABOUT IT

1. Do you believe there is a hell? Do you believe Satan exists? What do you see his role as in this world?
2. If you knew you were dying tomorrow, is there anything you would regret not changing in your life?
3. Do you think the rich man's sentence was just? Why or why not?
4. "God doesn't send people to Hell." Do you agree or disagree with this statement?
5. What do you think about the freedom of choice Jesus has given you? How have you used that freedom?
6. With whom in your life could you share Jesus' love?

THIS WEEK

Spend some time imagining yourself as the rich man in Jesus' story. You may not be rich, but we all have things that we prioritize in this world that can keep us from living connected to Jesus. What in your life is distracting you from living as Jesus has called us to live? How do these things impact how you treat others in this world?

"Besides, between us is a **huge chasm that cannot be bridged**, keeping anyone from crossing from one realm to the other, even if he wanted to."

Luke 16:26
