

Intern 'Data Analytics'

September 2024 – February 2025, location Amsterdam

At Warner Music Benelux, we're a collective of music makers and music lovers, innovators and inspired entrepreneurs, game-changing creatives, and passionate team members. Here, we know that each talent makes our collective bolder and brighter. We are guided by four core principles that underpin everything we do across all our diverse businesses:

- **Music is Everything:** Music is our passion, and we can never get enough. Tastes, trends, and tech will change, but great artists and songwriters will always be our driving force.
- **Global Growth, Local Expertise:** Music is a global language. Through communication and collaboration, our success can come from anywhere and translate everywhere.
- **Innovation and Insight:** Pushing the boundaries requires the best information and the boldest imagination. We use both to create the future.
- **Empowered by People:** Like the artists we serve and the music they make, our differences make us stronger. This is a place where every talent can belong and build a career.

We work for international and domestic artists, like Dua Lipa, Ed Sheeran, Coldplay, Red Hot Chili Peppers, Roxy Dekker, CHO, Ruben Annink, Zoë Livay, Jocke, Jinho9, Antoon etc.

About the role:

As a Data Analytics intern you are part of the Digital team. You work closely with, among others, the Head of Digital and the Data Analyst. We are looking for an analytical and commercial person with a strong interest in and knowledge of music, who wants to take data analytics to the next level!

What you'll do:

- Make analyses for artists, releases, playlists & more;
- Visualize data for internal and external stakeholders;
- Create dashboards (using Tableau);
- Contribute to the digital/commercial team.

Job requirements:

You...

- are studying at HBO or WO;
- **understand Dutch;**
- are available for five months, at least four days a week (fulltime);
- have a passion for music and proactive attitude;
- are acquainted with SQL, R or Python (preferably SQL);
- have experience with data visualisation tools.

What do we offer?

An informal work environment within a creative and talented team, room for personal

development and a monthly compensation. During your internship you will get the opportunity to get to know Warner Music Benelux as a company and the music industry itself.

Love this internship and want to apply?

Send your resume and cover letter to solliciteren@warnermusic.com, stating 'Internship Data Analytics'. We look forward to your application and will contact you as soon as possible.

About us
